FIREARMS FOR HOME DEFENSE: Which One is Best?

With everything going on in America right now, more women are asking an important question: "Am I truly prepared to protect myself and my home?"

If you had to defend yourself in your home tonight...would you know which firearm to reach for?

In this Queens of Defense Zoom session, we'll break down the pros and cons of pistols, rifles, and shotguns—so you can make the right choice based on your comfort level, environment, and real-life situations.

This is not about fear—it's about readiness, confidence, and making informed decisions before you ever need them.
