

QUEENS OF DEFENSE!

Queens of Defense (QOD), exists to unify the women of NAAGA by creating a safe space for learning, education, growth, and comradery within the 2A space. QOD offers a virtual platform for networking with like-minded women from across the country — to support and uplift our fellow Queens! In our local chapters, QOD provides each Queen with in-person meetups, training, and opportunities for social interaction and networking. We work together to find our voices and pave a path forward for the coming generations. We are mentors, moms, and 2A advocates. Queens of Defense is everything a woman needs in a sisterhood like no other!

QOD AMBASSADOR

Each NAAGA Chapter has at least one Queens of Defense (QOD) Ambassador, a woman dedicated to ensuring the women of the local chapter feel connected, supported, and heard. QOD Ambassadors bridge connections between the chapter leadership and corporate organization to provide mentorship, programs specific to the interests of women, and educational support to ensure each Queen grows in her knowledge and comfort with firearms. If you're interested in becoming an Ambassador, reach out to your local chapter leadership.

FREQUENTLY ASKED QUESTIONS

Who can join QOD?

All female NAAGA members of NAAGA are a part of QOD. There's nothing more to join.

How do I connect with QOD?

- Contact your chapter's QOD Ambassador to assist with joining and participate.
- Join the NAAGA Networks community and subscribe to the Queens of Defense channel.
- Direct your questions, concerns, and suggestions to elpnaaga@yahoo.com
