Thank You...

The organization would like to thank Mrs. Eloisa Cox and Ms. Jennifer Griffith for finding us a trailer and brought it back from Bastrop, Texas. Heartfelt thank you to you both.

This month, we extend our recognition and commendation to Mr. Paul Maggitt. His exceptional drive and motivation have consistently surpassed expectations, and his contributions have demonstrably enhanced our organization's growth. We appreciate his past and ongoing efforts.

We would like to thank our members who volunteered for positions in the NEST:

- | | |
|----------------------|-------------------|
| • Mr. Bobby Pierce | - Logistics |
| • Mr. Karl Ragin | - Security |
| • Mr. Paul Maggitt | - Training |
| • Mr. Rowle Boone | - Security |
| • Mr. Billy McDowell | - Intelligence |
| • Toni V. Mckens | - Health & Safety |

The NAAGA Emergency Support Team (NEST) is a local, organized group of members who work as a "unit" to support and assist each other during an extended crisis or pandemic. The NEST's purpose is to work together to solve problems, providing assistance with physical needs, emotional support, verbal communication, food, water, household supplies, computer technology, guns, logistics, and security. The team's collective preparedness is essential for survival, especially in long-term survival scenarios where protection and security are critical. The ideal number for a NEST is six to nine people, allowing for effective movement, self-sustainability, and security. The NEST is a testament to the importance of community support and the collective mindset of working together to overcome challenges.

QUEEN'S DAY AT THE RANGE

Saturday, 20 September 2025, the collaboration with ladies of the El Paso TX Womens Veterans (TWV) organization and Queens of our Chapter , proved highly successful. The participants demonstrated a rapid learning curve and performed exceptionally well, while also enjoying the experience. Our sincere appreciation goes to the instructors and Range Safety Officers (RSO) for their contributions
